PRA	G

Prague is said to be one of the most beautiful cities in the world. Its rare, well-maintained and mutually interlocked architecture of all styles depicts eleven centuries of medieval history. Prague, City of a Hundred Spires, a UNESCO monument and one of the most beautiful cities in the world. It is a major destination of visitors arriving in the Czech Republic, with its appeal of architectural monuments of all styles, the traditional hospitality of its people and the excellent beer served by Czech pubs, as well as the remarkable mix of Czech, German and Jewish cultures, is considered one of the most beautiful cities, and not just in Europe but It is regularly voted among the ten most beautiful cities in Europe.
