

ESTOOLS 1st Public symposium

1st of June 2007, Brno, Czech Republic

The ESTOOLS symposium will outline existing scientific progress and discuss future advances in the field of human embryonic stem cell research.

The symposium offers a unique opportunity to attend lectures given by pioneering scientists, selected both from ESTOOLS consortium partners and leading scientists from the ESTOOLS science advisory panel. Researchers from the 20 ESTOOLS partners will also be attending and available for informal discussions during coffee and lunch breaks.

Speakers in the preliminary program:

Prof. P.W. Andrews (University of Sheffield, UK).

Prof. M. Pera (University of Southern California, US).

Prof. M. Götz (Institute of Stem Cell Research, Munich, Germany).

Prof. E. Cattaneo (University of Milan, Italy).

Prof. T. Enver (John Radcliffe Hospital, Oxford, UK).

Prof. A. Nagy (Mount Sinai Hospital, Toronto, Canada).

Prof. M. van Lohuizen (Netherlands Cancer Institute, Amsterdam, Netherlands).

Prof. C. Mummery (Netherlands Institute for Developmental Biology, Utrecht, Netherlands).

Prof. O. Brüstle (University of Bonn, Germany).

Prof A. Smith (University of Cambridge, UK).
