

CALL FOR STUDENTS APPLICATIONS

Doctoral College "Molecular Fundamentals of Inflammation" (DK-Molin)
Doctoral College "Metabolic and Cardiovascular Disease" (DK-MCD)
PhD Program "Molecular Medicine"

Start of the projects: October 1, 2016

Application deadline: March 16, 2016

The Medical University of Graz offers international PhD programs in "Molecular Fundamentals of Inflammation" (DK-Molin), "Metabolic and Cardiovascular Disease" (DK-MCD) and "Molecular Medicine" that provide an in-depth, multidisciplinary training in biomedical research in a stimulating international environment. The thesis projects focus on various aspects of inflammatory, metabolic and cardiovascular diseases as well as cancer and integrate basic, applied and clinical sciences, as well as a wide spectrum of experimental techniques.

POSITIONS

The positions are funded by the Austrian Science Fund (FWF) and the Medical University of Graz. Selected PhD students get employed for 3 years with a contract that includes social benefits.

WHO CAN APPLY

Applicants must hold (or be close to obtaining) an undergraduate degree equivalent to a Master in any discipline of natural or life sciences or medicine. The selection procedure, all training activities and communications will be in English. Thus, excellent written and spoken English skills are required.

HOW TO APPLY

Application are made exclusively through the online platform mug.glowbase.com. Please do not send any documents by regular mail or e-mail unless you are explicitly asked to do so by our staff. There is no application fee.

Further information about the program, open projects and the online application procedure are available at: <http://www.medunigraz.at/DK-MOLIN/application.html>

Application deadline: March 16, 2016
